

2019 – 2023 **PERMISSION AGREEMENT FOR SOLICITATION**

CULAC is the premier political action committee (PAC) of the credit union system and the CUNA/League system’s primary means of supporting pro-credit union candidates for office. Political Action is a necessary component for any trade association that seeks to remain active and make an impact in Washington, DC. Signing the Permission Agreement shows your credit union’s support for CUNA’s legislative, regulatory and political advocacy efforts system-wide.

This credit union hereby authorizes the league or CUNA to solicit this credit union's members and executive or administrative personnel for contributions to CULAC the PAC of Credit Union National Association and/or the league’s federal Political Action Committee (PAC). *However, no solicitation of the credit union’s non-employee membership will take place without the credit union’s consent, except for solicitations conducted at gatherings of multiple credit unions and/or of past CULAC contributors.*

The credit union may only grant such prior approval to one trade association per calendar year. The credit union grants its permission to CUNA and the league for each of the years indicated below. The credit union has not approved a solicitation from any other trade association for these years.
